# MMCA at All Malaysia Malayalee Association's (AMMA) Annual Games Carnival (AGC), Annual Delegates Conference (ADC) and AMMA Gala Dinner (AGD) 2024

The Malaysia Malayalee Catholic Association (MMCA) recently embarked on an exciting journey to Penang, Malaysia's very own Pearl of the Orient, to attend the AGC and ADC 2024. The events, held from June 21-23, were a remarkable blend of camaraderie, competition, and community deliberation.

The events in Penang were meticulously planned by NMMS and AMMA, and the members of MMCA were thrilled to be part of this grand affair. The AGC was a vibrant showcase of athletic prowess, with participants engaging in a variety of games that fostered both friendly rivalry and unity. The Gala dinner that followed was a night to remember, featuring exquisite cuisine, delightful entertainment, and heartfelt speeches that celebrated the Malayalee heritage.

The ADC was the heart of the trip, where crucial discussions about the community's future took center stage. This year's conference was particularly significant as it marked the transition of leadership. Dr. Manohar Kurup was welcomed as the new AMMA President, succeeding the esteemed Datuk Rajan Menon, who had served with distinction for six years. The entry of several new committee members alongside some familiar faces promises a fresh yet stable direction for the association.

Among the notable appointments were MMCA's own Anne Mathews as General Secretary and Mr. Philip Andrew de Silva as Assistant Secretary of AMMA. Their new roles were met with enthusiastic support from delegates. Additionally, there was a strong call for increased youth involvement in AMMA and its affiliates, highlighting the community's commitment to nurturing future leaders. A revised presentation on Koperasi Malayalee Malaysia (KMM) was made to the ADC. The presentation, led by Tan Sri Datuk Ravindran Menon, was another key highlight, emphasizing economic empowerment and community solidarity.

The MMCA members returned home with a sense of fulfilment and anticipation for next year's ADC, which will celebrate **50th anniversary of the AMMA.**

---

**Poem:**

In Penang's embrace, we found our way,
A trip to cherish, night and day.
Games and laughter, bonds anew,
In AGC's light, our spirits grew.

A Gala night with stars so bright,
Cultural whispers in the moon's light.
At ADC, wisdom's voice,
Guiding us all, in unity's choice.

Dr. Manohar's helm, a future bright,
With Anne and Philip, steering right.
Youth’s call, a hopeful plea,
In AMMA’s heart, their place will be.

KMM’s return, a prosperous dream,
Together as one, a stronger team.
To next year’s celebration, we look ahead,
With pride and hope, our hearts are fed.
